

The Bannerman/Clark Families present...

# WARM FEET

for The Street

The Bannermann/Clark Families would like to continue a tradition of providing stuffed socks to as many street people as possible through the Mustard Seed this Christmas.

We encourage you to buy a pair (or more) of warm socks and then fill one sock with the other and top it off with useful articles for a person whose home is on the street.

Keep in mind that our guests carry all of their belongings in one small bag. Recipients will be men, women and youth. Please finish your sock by labeling it with masking tape containing the gender (and age, if applicable) of the recipients.

**NOTE:** Please do not include food items or anything containing an alcohol base, such as aftershave, mouthwash or perfume.

# HOME IN A BAG

Plenty of the guests that stay at The Mustard Seed carry all of their possessions in one bag. Many of these bags are in terrible condition.

The Bannerman Clark families would like to provide a good-quality, medium-sized backpack for those who need them. The only thing we suggest you include is a lightweight thermal blanket or sleeping bag. Other suggestions for items to include shown below.

Recipients will be 80% men and 20% women. Please finish off your bag by labeling it with masking tape and stating the gender of the recipient.

*Note: Do not include food items, or articles containing alcohol, such as aftershave, mouthwash or perfume.*
