

# Marriage As God Intended Course

Tuesdays, May 12, 19 & 26 (7:00 pm to 9:30 pm)

## MARRIAGE AS GOD INTENDED

### THE LIFE-LONG UNION OF ONE MAN AND ONE WOMAN

Marriage is God's way for couples to live together in a joyful relationship of love, trust and mutual respect. Single or married, single again or engaged? All are welcome to join the course and to take a fresh look at how marriage should be as God intended.

This course seeks to:

- ◆ develop strong Biblical foundations for a lasting marriage
- ◆ provide realistic expectations for your marriage
- ◆ address issues which arise in marriage from a practical and Godly perspective
- ◆ address issues that might hinder your future life together

Six teaching sessions covering the following topics:

- ◆ The purpose and experience of marriage
- ◆ Marriage as a covenant relationship
- ◆ Sex and Sexuality - God's design for men and women
- ◆ The nature of the marital relationship - What can you expect in your marriage?
- ◆ Exploring potential threats to a fulfilling marriage including the importance of being free from your past
- ◆ Communication: the key to relational connection and the differences between men and women

- ◆ Marriage is a gift of God in creation and a means of grace; it is the deepest and potentially the most gratifying of all human relationships. Marriage is one of the most important decisions that you will make in life. Yet, people are incredibly unprepared for a healthy everlasting marriage. For most people marriage is something for which they have had no training or preparation, other than mimicking the actions of those around them.
- ◆ Participating in this marriage course can be both fun and informative. You may have eye-opening experiences that can be both enlightening and humorous. You may learn many things about yourself, your spouse and your marriage that you never even thought to consider.
